Maria:

As we discussed on the phone earlier today, if EPA is unable to provide comments on the Harbor Bridge FEIS by the close of the comment period, please notify FHWA in writing that your comments will be late, and request that FHWA consider your Agency's comments during FHWA's preparation of the ROD for the project.

Please do not hesitate to call me on my cell above if you need additional information.

Marie:

FHWA's and TxDOT's formal response to EPA's Dec. 16, 2014 request for a 30-day time extension is attached. Hardcopies of the attached letter will be FedEx to your office today. Pursuant to 23 U.S.C. 139(g)(2)B, FHWA and TxDOT have considered your request and determined that there is good cause to extend the FEIS review period for an additional 15 days to January 20, 2015.

Thank you for EPA's continued cooperation on this important project. I hope you and everyone at EPA have a safe and wonderful holiday.

Please contact me if you need additional information.

Hey John,

I wanted to touch base with you before the weekend and see if you or your colleagues had any comments you could share with us on the Draft EIS. We are working on the document this weekend in preparation for our meetings with FHWA and with you next Friday. Have a great weekend and I will chat with you on Monday.

**Subject:** Harbor Bridge in Corpus Christi - Preliminary Review of the DEIS Document

**Importance:** High

Good morning John,  
TxDOT and FHWA are preparing to distribute the Harbor Bridge DEIS to our Cooperating Agencies for preliminary review on September 12th. We will begin putting together the paper and electronic copies on Monday and Tuesday next week. I wanted to take this opportunity to ask each of you for the following information so that everyone gets what they need.

1. How many copies of the DEIS do you need and in what format (paper or electronic)?
2. Who should be listed as the contact on the delivery?
3. To what address should the delivery be made?

The paper documents and electronic copies will be sent to the contact you designate overnight using a courier service (not the US postal service) so if courier deliveries are received at a specific address, please be sure to provide that information to us. I will be out of the office on September 6th, as will Chris Amy, so if you have any questions regarding the document distribution or delivery, please contact Debbie Taylor.

I thank you for your cooperation with us on this important project. Please let us know if you have any questions.

Sincerely,  
Sonya Hernandez

That is fantastic. I would prefer 10:00 a.m. if that works best for you. I am not sure how long it will take based on the comments recieved and I don't want you or your staff to feel rushed in any way. Thanks again for the schedule wrangling.
